Our File No.: 827.0000001

Your Honor:

I write on behalf of the parties in connection with a request for one final two-week extension through February 22, 2019 to file the joint motion for preliminary approval of the tentative settlement reached with your assistance.

The parties have not been idle but over the past several weeks have exchanged countless drafts of the agreement, the motion itself and the exhibits necessary for approval of the notices to be sent to the class members. I am happy to report that the agreement is complete, and we are presently working with the class action claims administrator to make sure the notices we have drafted can be sent in the form and manner we had agreed upon within the draft settlement agreement.

We appreciate the Court's consideration of this final request and anticipate the motion will be filed within the time requested, if not sooner.

Respectfully,

LONDON FISCHER LLP
